

DOCKET NO. 92-110-C - ORDER NO. 92-156

IN RE: Dual Party Relay System) ORDER GRANTING PETITION
) FOR RECONSIDERATION AND
) AMENDING ORDER NO. 92-121

This matter is before the Public Service Commission of South Carolina (the Commission) on Southern Bell Telephone & Telegraph Company's (Southern Bell's) Petition for Rehearing and Reconsideration of Order No. 92-121 which, inter alia, requires all local exchange telephone companies in South Carolina to impose a monthly surcharge on their customers in order to fund a statewide dual party relay service. The Order specifies that the local exchange companies remit the charges collected from their customers to the Commission on or before the 10th day of each month, beginning May 10, 1992.

Southern Bell contends that, due to its bill processing system, it is unable to comply with that portion of the Order requiring remittance of the funds to the Commission by the 10th day of the month. Southern Bell asserts it would be able to remit its customers' funds to the Commission on or before the 15th day of each month.

In so far as Southern Bell is unable to meet the deadlines enumerated in Order No. 92-121, the Commission hereby amends Order

No. 92-121 as follows:

1. The Commission orders that each local exchange company remit the charges allocated from its customers for purposes of the statewide dual party relay system to the Commission on or before the 15th day of each month.

2. Each local exchange company shall submit its first remittance to the Commission on or before May 15, 1992.

IT IS SO ORDERED.
